
#6 'Write a letter to the editor of the magazine' (잡지 에디터에게 메일)

by 맘잉글리쉬 posted Aug 25, 2019

You have just read an article in an international travel magazine which contained some information about your town that is incorrect.

Write a letter to the editor of the magazine. In your letter

- correct the information in the article
- explain why it is important for the magazine to give correct information
- suggest what the magazine should do about this situation

Dear Sir or Madam,

I am writing to bring to your attention a significant error in your recent article about festivals in Manchester.

The mistake relates to the dates of the Manchester Christmas Market. It is stated several times in the article that the market will be open until New Year's Day, when in fact it is due to finish much earlier than this, on the 22nd of December.

People who read your magazine and decide to visit the market in the last week of December are going to be sorely disappointed. Your error could spoil a Christmas outing or family trip for many tourists, and this could lead to complaints and bad publicity for the city.

I hope you will rectify this problem by publishing a correction in the next issue of your magazine and on the home page of your website. It is vital that you give accurate information to readers who follow your travel advice.

I trust you will act quickly to correct the mistake.

Yours faithfully,

Paul Jones
