## 아이엘츠 스피킹 파트2

Describe a beautiful place you once visited. You should say:

when you went to this place  
where it was  
who you went with  
and say why you liked it so much.

Sally: A few years ago I went on a **long weekend** to the Lake District in the UK ... it's a very popular **holiday destination** in the north of England ... I went on my own and had a wonderful time ... I stayed in a **youth hostel** and met some really nice people ... but the most memorable thing about the holiday were the **breathtaking views** ... and lovely **picturesque villages** ... it can get very busy with **hordes of tourists** so I decided **to go out of season** in the autumn ... the weather was fantastic and the shops were full of **local crafts** ... a really great holiday ... it's certainly not the kind of **short break** for someone looking for a busy nightlife but if you want to relax in the middle of **stunning landscape** I would certainly recommend a holiday to the Lake District.

Examiner: What do you think has led to the growth in the tourism industry?

Miguel: It's much easier and affordable to travel now ... nowadays you can get cheap **charter-flights** or **all-in packages** ... to somewhere near or to **a far-off destination**.

Examiner: How do people tend to choose a destination?

Anna: The Internet is a great source of information and high street **travel agents** are still very popular ... that's where I like to go to get **holiday brochures** for the place I'm interested in.

Examiner: People sometimes say flying is the most glamorous form of travel. Do you agree?

Amy: I'm not so sure really ... flying can be quite boring ... queuing up at the **check-in desk** ... going through **passport control** ... sitting for ages in the **departure lounge** ... then the flight itself can be quite uncomfortable ... no ... I'm not sure I agree.
