아이엘츠 스피킹 파트1

Examiner: Do you see your friends very often?

Louisa: Yes ... we meet up most weekends ... we all **get on really well** and **have a lot in common** so we're always happy doing the same things and going to the same places.

Examiner: What do you like about your close friends?

Anna: I think we **enjoy each other's company** ... we **see eye-to-eye on** most things so we rarely **fall out with** each other.

Examiner: Have you known each other long?

Amy: Most of them yes ... although my closest friend Carrie ... we **struck up a relationship** at college and **got on like a house on fire** ... but yes ... my other friendships **go back years** to when we were at school.

Describe a person you are very close to. You should say: who this person is when you met them where you met them and say what it is about them you like so much.

Reiko: I'd like to talk about my boyfriend ... Jose ... we **got to know** each other at University almost 4 years ago ... we were in the same department ... initially we were **just good friends** and used to go out in a group with our other friends ... when Jose went back to Spain for the holidays we would **keep in touch with** each other ... then one year he invited me to come to Spain with him ... and that's when we **fell for** each other I think ... so you couldn't really say it was **love at first sight** as it had been over a year since we'd met ... but we really **hit it off** and by the time we got back to university in September we were able to tell all our friends that we were **in a relationship** ... what do I like about Jose ... well he's very kind ... very funny ... and very supportive ... and we're really **well matched** in our interests ... he hasn't **popped the question** yet though ... we've talked about getting married and I think we're both ready **to settle down** and have children ... we'll just have to wait and see ...

Examiner: Do you think marriage is still as important as ever?

Cristine: Yes ... it certainly is in my country ... I think the problem for some people is a lack of commitment ... all relationships **have their ups and downs** .... but some people prefer to **break up** rather than **working at** the relationship.

Examiner: What do you think is the ideal time to get married?

Terry: Personally ... I think you should wait until you've found yourself first ... decided if you want a career ... perhaps do some travelling ... you should do this before **tying the knot** ... although if you **fall head over heels in love** plans like these can easily be forgotten.

Examiner: Is it important to keep in contact with our friends when we're in a relationship?

Maria: Absolutely ... it's so easy to **drift apart** from your friends when you **fall in love** ... but I think both partners should try not **to lose touch with** their friends ... that's the best way to have a **healthy relationship** with your partner.
