Describe a time during your education that you really enjoyed. You should say:

- when this period was
- where you were
- what you were studying at the time

and say why you were so happy.

Caroline: I'd like to tell you about my time at university ... I was **a mature student** ... I didn't go to university until I was 25 ... and it was my first time away from my parents so it was very exciting ... I was doing **a Bachelors Degree** and it was a bit of a challenge ... some people **take a year out** but I'd been away from education for 8 years ... plus I had **to work my way through uni** so I was very busy ... and **sitting exams** at the end of each year was a new experience for me as well but I really enjoyed **higher education** learning about a subject I loved ... history ... and the social life was great as well ... I don't think I've ever had so many friends ... I had my **graduation ceremony** last year in the local cathedral and I know my parents were really proud ... so yes ... that was a really happy time ... Anna: They should be patient ... they should be **subject specialists** and be able to explain the subject clearly ... they should **give feedback** quickly ... for example not hang on to essay for ages like some of my teachers ...

Examiner: What are the advantages of studying on a distance learning course?

Florrie: It's a more flexible way of studying especially if you have a job ... **tuition fees** are usually cheaper ... but you have to be very motivated ... and I would imagine more people **fall behind with their studies** compared to **face-to-face classes** ...
