Examiner: Do you like living in the city?

Examiner: Do you get many tourists visiting your area?

Mandy: Not really no ... I live in the **inner-city** and the area is a little **run down** ... it's basically a lot of **high-rise flats** and many of the shops are **boarded up** ... so nothing to interest tourists really ...

Describe an interesting town or city in your country that visitors might enjoy. You should say

- what the place is called
- where the place is
- what the facilities are like

and say why visitors might enjoy going there.

Monique: Anyone who comes to my country really should spend some time in Barcelona ... it's a beautiful place ... it's not what you would call a **sprawling city** ... it's quite compact really and you could walk across the city in a couple of hours ... but there's no need to do that as we have a fantastic **public transport system** so it's easy **to get around** ... there are various districts all with their own character ... you have the **upmarket shops** in the centre ... you'll find lots of **chain stores** you'll recognise from your own country but also local brands as well ... we have the narrow streets in the Gothic district with lots of **fashionable boutiques** and **tourist attractions** ... there's the Olympic area and the beaches along the coast ... and dotted around the city are some lovely **public spaces** ... parks and squares in the **city centre** and **on the outskirts** of Barcelona where people relax with their friends and family ... and of course **pavement cafes** everywhere ... all that and some great historical **places of interest** ... so a great destination for tourists ...

Examiner: What are the advantages of living in a city or big town?

Carrie: I think it's having access to **local facilities** really ... local shops as well as access to larger **shopping malls** in the city centre ... and if you're well-off you can afford to live **in the suburbs** away from the busy traffic ...

Examiner: In your experience are city centres usually attractive places?

Mary: Some can be yes ... especially those with a historical interest ... but sometimes they're full of ugly **office blocks** ... **multi-story car parks** ... and residents living in **poor housing** ... it depends on the city doesn't it?

Examiner: What are some of the challenges facing towns and cities?

Penny: I suppose **traffic congestion** is a major problem ... and the growth in **out-of-town supermarkets and retail parks** mean lots of town centre shops are **closing down** ... plus a shortage of good quality housing ... I think these are the major challenges ...
